North Queensland

October 2nd & 3rd
2008

EDC08

Economic Development Conference 2008

New Dynamics for Regional Development

- Building understanding and capacity to address the strategic challenges and opportunities facing North Queensland.
- Delivering an exciting range of topics on new dynamics while building on previous conference arguments for regional economic and infrastructure planning.
- Featuring speakers from around Australia and locally on the themes of:
 - Addressing the Skills Shortage
 - Infrastructure & Regional Planning
 - Sustainable Industries & Enterprise
- Presenting especially commissioned research on the equity of government expenditure in North Queensland.
- Providing participants with the opportunity to take part in interactive sessions for the development of action plans for our region's future.

WHEN: 2nd & 3rd of October 2008: 9:00am - 5:00pm Daily

WHERE: Mercure Inn, Townsville
